GENERAL AND SPECIAL CONDITIONS OF CONTRACT

Unless the context indicates otherwise, the term “Buyer” refers to IDEA. The term “Supplier” refers to the entity named on the order and contracting with the buyer. The term “Contract” can be taken to mean either (a) the purchase order or (b) the supply/service agreement, whichever is in place.

- 1) **Price:** The prices stated on the order/contract shall be held firm for the period and / or quantity unless specifically stated otherwise.
- 2) **Source of Instructions:** The Supplier shall not seek nor accept instructions from any source external to IDEA in relation to the performance of the contract.
- 3) **Assignment:** The supplier shall not assign, transfer, sublet or subcontract the contract or any part thereof without the prior written consent of the buyer.
- 4) **Corruption:** The supplier shall not give, nor offer to give, anyone employed by the Buyer an inducement or gift that could be perceived by others to be a bribe. The Supplier agrees that a breach of this provision may lead to an immediate end to business relationships and termination of existing contracts.
- 5) **Confidentiality:** All data, including but not limited to, maps, drawings, photographs, estimates, plans, reports and budgets that has been compiled by or received by the Supplier under the contract shall be the property of IDEA and be treated as confidential. All such data should be delivered to the authorized officials representing the Buyer upon request.

5.1) The Supplier may not communicate at any time to any other person, government or authority external to IDEA, any information that has been compiled through association with IDEA which has not been made public except with written authorization from the Buyer. These obligations do not lapse upon termination of the contract.

- 6) **Use of Emblem or Name:** Unless otherwise agreed in writing; the Supplier shall not advertise nor make public the fact that it is supplying goods or services to the Buyer, nor shall the Supplier in any way whatsoever use the name or emblem of IDEA in connection with its business or otherwise.
- 7) **Observance of Law:** The Supplier shall comply with all laws, ordinances, rules and regulations bearing upon the performance of its obligations under the terms of the contract.
- 8) **Force Majeure:** The meaning of the term can be taken to mean acts of God, war (declared or not), invasion, revolution, insurrection or acts similar in nature or force.

8.1) In the event of and as soon as possible after the occurrence of any cause deemed *force majeure*, the Supplier must inform the Buyer of the full particulars in writing. If the supplier is rendered unable either in part or in whole to perform its obligations then the Buyer shall take such action as it considers, in its sole discretion, to be appropriate or necessary in the circumstances.

8.2) If the Supplier is permanently rendered incapable in whole or part by reason of *force majeure* to complete its obligations and responsibilities under the contract then the Buyer will have the right to suspend or terminate the contract on the same terms and conditions laid out in section 9.

- 9) **Cancellation:** The buyer reserves the right to cancel the contract or suspend its activities or changes to its mandate by virtue of the Executive Council of IDEA /Donor and/or lack of funding. In such a case the supplier shall be reimbursed by IDEA for all reasonable costs incurred by the supplier, including all materials satisfactory delivered and conforming to specification and terms of contract, prior to receipt of the termination notice.

9.1) If the supplier encounter solvency problems including, but not limited to, bankruptcy, liquidation, receivership and similar, the buyer reserves the right to terminate the contract immediately without prejudice to any other right or remedy it may have under the terms of these conditions.

- 10) **Warranty:** The supplier shall provide the buyer with all manufacturers’ warranties. The warranties of Building material, raw material and stationary items will be at least 6 to 12 months and the warranty time will be calculated from the time of distribution of the items. The supplier warrants that all goods supplied in relation to the contract meets specification, is defect free and is fit for the purpose of the intended use. If, during the warranty period, the goods/materials are found to be defective or non-conforming to specification, the Supplier shall promptly rectify the defect. If the defect is permanent, then at the choice of the buyer the supplier will either replace the item at their cost or reimburse the buyer.

11) Inspection and Test: The Supplier must inspect the goods prior to dispatch to ensure conformance to specification and/or any other provisions of the contract. The Buyer reserves the right to inspect the goods for compliance with specifications and provisions of the contract. If, in the Buyers' opinion, the goods and/or services do not comply with the specification, the Buyer will inform the Supplier in writing. In such a case the Supplier shall take the necessary action to ensure compliance, liability for any additional cost incurred for rectifying compliance will rest with the Supplier.

The Contracting Authority shall be entitled to inspect, examine measure and test the components, materials and workmanship, and check the progress of preparation, fabrication or manufacture of anything being prepared, fabricated or manufactured for delivery under the contract, in order to establish whether the components, materials and workmanship are of the requisite quality and quantity. This shall take place at the place of manufacture, fabrication, preparation or at the place of acceptance or at such other places as may be specified in the Contract.

This inspection on quality and quantity shall also be executed by an independent surveyor company at time and place prior or at loading / unloading (before shipment to the warehouse). One inspection per supplier will be on account of the Contracting Authority. Any additional inspection shall be on account of the Supplier. Goods not meeting agreed quality will be rejected. In case goods are rejected, the Supplier will contractually be obliged to pay already incurred fees for rejected goods and also for such fees which will become payable to the inspection company due to multiple interventions and/or fruitless visits and for goods inspected but eventually remained unshipped.

12) Changes: The Buyer reserves the right to make reasonable changes at any time to the specification, drawings, plans, quantity, packing instructions, destination, or delivery instruction. If any such change affects the price of goods or performance of service the Supplier and Buyer may negotiate an equitable adjustment to the contract, provided that the Supplier claims for adjustments in writing to the Buyer within 15 days from being notified of any change.

13) Export License: If an export license or licenses are required for the goods, the Supplier has the responsibility to obtain that license or licenses.

14) Payment Terms: Unless otherwise agreed, payment terms will be made within 10 working days from receipt of a correctly prepared invoice, goods received notes issued by the delivery locations & delivery challans.

- i. Payment shall take place in the currency of the Contract.
- ii. Payments due by the Contracting Authority shall be made through cross cheque to the contractor.
- iii. Pre-financing will not be granted.
- iv. Payment shall take place according to Cash against documents (CAD) within 10 working days of the reception at the warehouse/delivery point. The order sum cannot be subdivided into partial payments.

15) Ethics: The Code of Conduct to which Concern expects all of its suppliers to respect is as follows;

- Employment is freely chosen.
- The rights of staff to freedom of association and to collective bargaining are respected.
- Working conditions are safe and hygienic.
- No exploitation of children is tolerated.
- Wages paid are adequate to cover the cost of a reasonable living.
- Working hours are not excessive.
- No discrimination is practiced.
- Regular employment is provided.
- No harsh or inhumane treatment of staff is tolerated.
- Local labor laws are complied with.
- Social rights are respected

15.1) Environmental Standards - Suppliers should as a minimum, comply with all statutory and other legal requirements relating to environmental impacts of their business. Areas which should be considered are:

- Waste Management.
- Packaging and Paper
- Conservation
- Energy Use
- Sustainability

16) Rights of IDEA: If the supplier failed to perform his job which is mainly supply of goods/items to the already identified sites/places within the stipulated time period with good quality as per the TORs of the contract, Then IDEA while giving reasonable notice to the Supplier, exercise one or more of the following rights:

- Procure all or part of the goods from an alternate source, in which event the Buyer may hold the Supplier liable for additional costs incurred.
- Refuse to accept all or part of the goods.
- Impose a penalty of 0.5% day for the whole amount of the contract / purchase order.
- Terminate the contract and forfeit the performance guarantee.

17) Rights of access for test purposes:

IDEA is contractually obliged to facilitate certain donor's direct access to suppliers for test purposes.

18) No Agency: This order does not create a partnership between the Buyer and Supplier or make one party the agent for the other for any purpose.

19) Penalties

Delivery schedule will be negotiated and fixed in order. In the event of delay in delivery caused other than by force majeure, the Contracting Authority is entitled to make use of a penalty of 5/1000 per calendar day of the total value of the consignment still to be delivered. The penalty will be deducted from the invoice. In the event of incomplete delivery caused by the Supplier, the Contracting Authority is entitled to deduct the losses from the invoice. In case of damaged cargo caused by inappropriate packaging the Contracting Authority reserves the right to deduct from the relevant order sum an amount according to the variance to the requested specification. In case the quality is not in line with specifications initially agreed by both sides, the Supplier has to inform the Contracting Authority as soon as possible. Goods not meeting agreed quality can be rejected by the Contracting Authority, but if the Contracting Authority accepts these goods a deduction from the order sum and a penalty will be negotiated.

20) Anti-Money Laundering and Anti-Terrorism Financing Policy

"It is the policy of the IDEA to prohibit and actively prevent money laundering and any activity that facilitates money laundering or the funding of terrorism or criminal activities" by complying with all applicable requirements under the Anti- Money Laundering Act 2010 (Act No. VII of 2010 - an Act to provide for prevention of money laundering) and Anti-Terrorism (Second Amendment) Act, 2014 and its implementation regulations. Recently under the national action plan and SECP regulations money laundering has been identified as a major cause for corruption and criminal activities. Therefore, IDEA is very sensitive to ensuring that our platform is not used for any such purposes.
